

tsc\_client\_service  
/src/exceptions/monitor  
\_states\_exception.cpp

```
graph TD; A["tsc_client_service  
/src/exceptions/monitor  
_states_exception.cpp"] --> B["monitor_states_exception.h"]; B --> C["stdexcept"];
```

A vertical flowchart with three rectangular boxes connected by downward-pointing blue arrows. The top box is shaded gray and contains the text 'tsc\_client\_service /src/exceptions/monitor \_states\_exception.cpp'. The middle box is white with a black border and contains 'monitor\_states\_exception.h'. The bottom box is white with a light gray border and contains 'stdexcept'.
