

message_services::models
::mobilityoperation::fromJsonObject

```
graph LR; A["message_services::models  
::mobilityoperation::fromJsonObject"] --> B["message_services::models  
::mobilityoperation::setStrategy"]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is white with a black border and contains the text 'message_services::models' on the first line and '::mobilityoperation::fromJsonObject' on the second line. The right box is gray with a black border and contains the text 'message_services::models' on the first line and '::mobilityoperation::setStrategy' on the second line. A blue arrow points from the right side of the left box to the left side of the right box.
