

```
streets_service::streets  
_singleton< test_singleton_impl >
```

A diagram illustrating a C++ template specialization. A light gray box at the bottom contains the text 'test\_singleton\_impl'. A blue arrow points vertically upwards from this box to a white box at the top. The white box contains the text 'streets\_service::streets' followed by '\_singleton< test\_singleton\_impl >' on the next line.

```
test_singleton_impl
```
