

```
signal_phase_and_timing  
::time_change_details  
  ::operator!=
```

A diagram illustrating a transition or transformation. It consists of two rectangular boxes connected by a horizontal blue arrow pointing from left to right. The left box has a light gray background and contains the text 'signal_phase_and_timing', '::time_change_details', and '::operator!='. The right box has a white background and contains the text 'signal_phase_and_timing', '::time_change_details', and '::operator=='. The arrow indicates a change from the inequality operator to the equality operator.

```
signal_phase_and_timing  
::time_change_details  
  ::operator==
```
