

TEST

```
graph LR; TEST[TEST] --> CALL[intersection_model::intersection_model::get_departure_lanelet_by_id];
```

The diagram consists of two rectangular boxes. The first box on the left is white with a black border and contains the text 'TEST'. A blue arrow points from the right side of this box to the left side of a second, larger box. The second box is light gray with a black border and contains three lines of text: 'intersection_model', '::intersection_model', and '::get_departure_lanelet_by_id'.

intersection_model
::intersection_model
::get_departure_lanelet_by_id
