

TEST

```
graph LR; TEST[TEST] --> FUNC[intersection_model::get_entry_lanelets_info];
```

A diagram illustrating a function call. On the left, a white rectangular box with a black border contains the text "TEST". A blue arrow points from the right side of this box to a larger gray rectangular box with a black border on the right. Inside the gray box, the text "intersection_model" is on the first line, "::intersection_model" is on the second line, and "::get_entry_lanelets_info" is on the third line.

intersection_model
::intersection_model
::get_entry_lanelets_info
