

TEST

```
graph LR; A[TEST] --> B["streets_service::streets  
_configuration::get_boolean_config"]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is gray with a black border and contains the word 'TEST'. The right box is white with a black border and contains two lines of code: 'streets\_service::streets' and '\_configuration::get\_boolean\_config'. A blue arrow points from the right side of the gray box to the left side of the white box.

streets\_service::streets  
\_configuration::get\_boolean\_config
