

TEST

```
graph LR; TEST[TEST] --> Method[intersection_model::intersection_model::get_conflict_lanelets_info];
```

A diagram illustrating a function call. A white rectangular box on the left contains the text "TEST". A blue arrow points from this box to a larger, gray rectangular box on the right. The gray box contains the text "intersection_model", "::intersection_model", and "::get_conflict_lanelets_info" stacked vertically.

intersection_model
::intersection_model
::get_conflict_lanelets_info
