

```
intersection_model  
::map_msg_worker::update  
_map_msg
```

A diagram showing a transformation from a function to another function. A blue arrow points from a grey box on the left to a white box on the right. The grey box contains the text 'intersection\_model ::map\_msg\_worker::update \_map\_msg'. The white box contains the text 'intersection\_model ::map\_msg\_worker::parse \_JSON\_string'.

```
intersection_model  
::map_msg_worker::parse  
_JSON_string
```
