

message_services::models
::mobilitypath::fromJsonObject

```
graph LR; A["message_services::models  
::mobilitypath::fromJsonObject"] --> B["message_services::models  
::mobilitypath::setHeader"]
```

The diagram consists of two rectangular boxes connected by a horizontal blue arrow pointing from left to right. The left box has a light gray background and a black border, containing the text 'message_services::models' on the first line and '::mobilitypath::fromJsonObject' on the second line. The right box has a white background and a black border, containing the text 'message_services::models' on the first line and '::mobilitypath::setHeader' on the second line.
