

traffic_signal_controller
_service::tsc_state::get
_red_clearance

```
graph LR; A["traffic_signal_controller  
_service::tsc_state::get  
_red_clearance"] --> B["to_string"]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is gray with a black border and contains the text 'traffic_signal_controller', '_service::tsc_state::get', and '_red_clearance' stacked vertically. The right box is white with a black border and contains the text 'to_string'. A blue arrow points from the right side of the gray box to the left side of the white box.

to_string
