The diagram illustrates a flow where two separate processes on the left converge into a single process on the right. The top-left box, labeled 'simulate_bsm_mobilityPath.produce_bsm', and the bottom-left box, labeled 'simulate_bsm_mobilityPath.produce_mobility_path', both have blue arrows pointing towards the right-hand box, labeled 'simulate_bsm_mobilityPath.read_json'. The right-hand box is shaded gray, while the others are white with black borders.
