

```
signal_phase_and_timing  
::connection_maneuver  
_assist::operator!=
```

A diagram illustrating a transition or transformation. On the left, a gray rectangular box contains the text 'signal\_phase\_and\_timing ::connection\_maneuver \_assist::operator!='. A blue arrow points from the right side of this box to the right side of a white rectangular box on the right. The white box contains the text 'signal\_phase\_and\_timing ::connection\_maneuver \_assist::operator=='. Both boxes have a black border.

```
signal_phase_and_timing  
::connection_maneuver  
_assist::operator==
```
